

Holy Trinity School's New Playground

This past spring, Holy Trinity School fundraised to earn money for their *first* playground. From the generous donations from the school families, parishioners, local merchants, and alumni along with a walk-a-thon and bake sales, this past fall we installed our first phase of our playground. The school children gathered around to attend a blessing given by Father Robert. We look forward to generations to enjoy it for many, many years!

Fun, Fun, Fun!
