Dear Parents,

In keeping with the technology age, we are going to a paperless Thursday folder. Last year, all our information was online on the www.Holy-Trinity-School.com and we will be asking you to access this site for our letters and event updates. You will also have the option to receive the hard copy of the Thursday folder.

If you choose to receive a paper copy, this folder will be your family's to keep throughout the school year. Please ensure that your child takes care of the folder and keeps it in good condition as it will need to last all year long.

Please read the folders content every week and sign the back and return the folder back to school **no later than** the following Monday. This folder will come home to you every Thursday. Please discuss with your child the importance of making sure your child does this each week and remind them that it is their responsibility to take care of it and take it to and from school.

This folder will be your way of being informed about what is going on in the school building and activities that will be happening throughout the year. It will have important information from school principal, parish, nurse, room-parents and the H.S.A. This folder will be set up that all papers on the left side are to be completed and brought back to school, and all the papers on the right side of folders will be kept at home.

If you choose to view your Thursday folder online, please be aware that all information will be on our website www.Holy-Trinity-School.com by Thursday afternoon. Please make sure you print any of the correspondence that need to be returned to school and return by the following Monday. Choosing to go paperless will help us to conserve on paper and save money. Please be advised that going paperless is not for everyone. Please fill out the bottom of this page with your decision on if you choose to go paperless.

If you have any questions about the correspondence folder please feel free to call me at: 845-471-0520 or email me at D520@ADNYEDUCATION.ORG

Thank You,
Mrs. Ann Dombroski

Please check off and return by: September 8, 2016

I would not like to receive my Thursday folder. I will visit the web-site for the correspondence and return the information that needs to be returned to school.

I would like to continue to receive my Thursday folder.
